

BULLETIN No. 4/2024 approved by ACI Sport on 25/06/2024.

In approval of the regulations of the National Regulations 2024, to supplement and/or amend the Sporting and Technical Regulations "IAME Series Italy 2024 - IAME Series Italy" approved by ACI on 30 January 2024 approval number 20/2024 RM, we hereby gives notice of the following:

MODIFICATION OF THE IAME Series Italy 2024 SPORTING RULES

CURRENT

2.4 Each round of IAME Series Italy 2024 contributes to the score for the title. In order to qualify for the final classification, it is necessary to take part in at least 5 rounds (see Annex 1 Art. 2).

2.4.1 The final classification is determined by the five best results obtained from the total number of races comprising the IAME Series Italy 2024 (see Annex 1 Art. 2). For the purposes of the final classification of the IAME Series Italy 2024, no race(s) in which drivers have been excluded from the event for any reason may be considered. In the event that a category is not constituted, it will be awarded 50% of the score, even if it has been combined with other categories.

CHANGE

2.4 Each round of IAME Series Italy 2024 contributes to the score for the title. **In order to qualify for the final classification, it is necessary to take part in at least 5 rounds** (see Annex 1 Art. 2).

2.4.1 The final classification is drawn up on the basis of the best **5** results obtained out of the total number of races constituting the IAME Series Italy 2024 (see Annex 1 Art. 2).

For the purposes of the final classification of the IAME Series Italy 2024, no race(s) in which drivers have been excluded from the event for any reason whatsoever may be taken into account.

Unconstituted categories are awarded 50% of the score, even if they have been combined with other categories.

2.4.2 **In order to be eligible for participation in the International Final, the driver must participate in at least four rounds of the IAME Series Italy 2024 (see Annex 1, Article 2) and achieve a final score that places him in the top three positions of his category.**

In the event of a tie, drivers are ranked according to the total number of first, second, and third-place finishes in all IAME Series Italy 2024 events. Should the ex-aequo persist despite the application of this rule, the best result achieved in the final classification of the last round shall determine the winner.

CURRENT

7.4 Drivers who fail to attend the briefing shall be subject to a **fine of € 125.00.**

CHANGE

7.4 Drivers who fail to attend the briefing shall be subject to a **fine of € 500.00, as provided by ACI (RSN Art. 140 and RDSSK Art. 12).**

(The present Bulletin are published in both Italian and English. In case of any dispute, the Italian version of these Rules will take precedence).
